

A PROGRESSIVE CALL to ACTION

WE NEED YOU!

Let's work to gain a Congress that
represents *OUR* values.

Help Break the Bush Stranglehold
on *OUR* Congress.

WE NEED YOU!

on Saturday September 16th
10:30 AM – Rowe House –31 Maple St.

*The 24th Congressional District is one of the hottest congressional races in the Country
the Outcome of this race will determine if the Bush Agenda can be stopped!*

We plan a big door to door canvas in Oneonta- it's a very important district.
We'll talk to voters about issues & the need to change the
direction in Congress.

On Saturday we'll be asking people to go door to door

- to collect signatures on our petition
- to identify peoples most important issues
- to find out if people have a preference between
candidates running for congress
