

Tired of dealing with insurance bureaucracy & paperwork?
Your health insurance coverage: full of holes? nonexistent?
Stuck in a bad job just because it offers health insurance?
Is Medicare Part D driving you crazy?

Fed up with the HEALTHCARE SYSTEM?

Speak Out

Come share your healthcare experiences with
your neighbors, **elected officials** and the **media**.
Let them know how the system is working for you (or not)
– and join with others to make things better!

Wednesday, September 27, 2006

**Doors open at 6:00 pm
Elm Park Methodist Church
401 Chestnut Street, Oneonta**

The Speakout, sponsored by the Coalition for Democracy of Central New York,
is the first step in an effort to create a local **movement for healthcare reform**.

Join us also in a series of interactive workshops in October
so we can educate ourselves about this issue and map out a plan of action.
